

# Submission Statement

Please fill the form completely. Incomplete forms will lead to delays and result in manuscript being returned. This form has to be signed by **ALL** authors. Electronic signatures will not be accepted; authors must sign by hand. The form can be typed (preferable) or handwritten. Print, sign, scan and upload the form on the OJS. Multiple form pages can be used if necessary. For any query, please email at editor@jpma.org.pk, or call at +92-21-322-6443.

**Manuscript Title:**

**Article Type (Please Select):**

**Corresponding Author's Name:**

**ORCID ID: (compulsory)**

**Authors' Contributions**

Please insert below the detailed contributions made by each author.

The current ICMJE authorship criteria, of which all four criteria must be met for authorship, are as follows:

1. Substantial contributions to the conception or design of the work; or the acquisition, analysis, or interpretation of data for the work; AND
2. Drafting the work or revising it critically for important intellectual content; AND
3. Final approval of the version to be published; AND
4. Agreement to be accountable for all aspects of the work in ensuring that questions related to the accuracy or integrity of any part of the work are appropriately investigated and resolved.

## **Disclaimer**

Declare below if the abstract has been previously presented or published in a conference, if the manuscript was part of a research, PhD or thesis project, or any other relevant information. Ensure that this statement is also present in the manuscript at the end of the text and before the references.

Is there any information to declare?

Yes

No

### **Conflict of Interest**

Please declare below whether there are any financial, personal, or professional interests that could be construed to have influenced the work. Ensure that this statement is also present in the manuscript at the end of the text and before the references.

Are there any conflicts of interest to disclose?            Yes                            No

If yes, please give details in the box below.

### **Funding Disclosure**

Please disclose funding sources and their roles below, if any, regardless of the amount of compensation. Authors must also describe what role their financial sponsors played in the design, execution, analysis and interpretation of data, or writing of the study. If they played no role the authors should state this. Ensure that this statement is also present in the manuscript at the end of the text and before the references.

Do you have any funding sources to disclose?            Yes                            No

If yes, please give details in the box below.

### **Copyright Statement**

We agree that upon submission to the Journal of the Pakistan Medical Association, we as authors would retain the copyright ownership for the article and will be allowed to share and distribute copies for academic and research purposes. However, in case of printing and republishing for a commercial purpose, permission from the Journal of the Pakistan Medical Association will be required.

### **Undertaking**

The undersigned stipulate that the material submitted to Journal of the Pakistan Medical Association is new, original and has not been submitted to another publication for concurrent consideration.

The editors of Journal of the Pakistan Medical Association have the right to suggest changes, hold or reject from publication at any stage. The editor also holds the right to retract any article on account of ethical misconduct after the printing of any article, according to the guidelines of Committee of Publication Ethics (COPE).

We attest that any human and /or animal studies undertaken as part of the research from which this manuscript was derived are in compliance with regulation of our institution(s) and with generally accepted guidelines governing such work.

We further attest that we have herein disclosed any and all financial or other relationships which could be construed as a conflict of interest and that all sources of financial support for this study have been disclosed and added in the manuscript.

We certify that we have viewed the publication charges, and would pay the required publishing fee in case our manuscript is accepted.

### **Manuscript Fee and additional charges**

All authors from Pakistan and abroad are required to pay a processing fee once an article is submitted for the initial review. When an article is ready for acceptance, a publication fee is charged according to the category of the article. No acceptance letter will be issued without paying the full publication charges.

- 1. I am willing to pay the initial review fee of Rs 3500 or USD 200 (Please select as appropriate).**
- 2. I understand that when my article is accepted, I will have to pay full fee according to the category plus any extra charges that may be levied due to additional illustration or text added.**
- 3. In case I decide to withdraw my article after receiving the letter of acceptance, copy rights of my article will not be restored until I pay 50% of the publication fee to JPMA for partially covering the final processing and reformatting of the journal copy.**

**Author Details and Signatures\***

Please ensure that the names are written in order of which they should appear in the article byline. No other author order noted elsewhere will be processed.
